The Position

Roadworthy Technician

The role of the Roadworthy Technician is to:

- Complete servicing, diagnostics and repairs on vehicles
- Solve technical issues and implement solutions
- Perform roadworthy checks on vehicles

Working Hours

This is a permanent full-time role, based on a minimum 38-hour week which may include Saturday.

Reporting

The role reports to the Service Manager for the Dealership.

Prerequisite

- Current Driver's Licence
- Minimum Certificate III in Light Vehicle Mechanical Technology
- Roadworthy Certificate

SELECTION CRITERIA

The successful applicant will possess:

- Exceptional attention to detail and quality workmanship
- Ability to work well in a team and add to an excellent culture
- A commitment to providing exceptional service to our customers
- Professional presentation

BENEFITS

When you join a Dealership that is part of the Autopact Group you will benefit from:

- Onboarding and training to prepare you for a long and fulfilling career
- Excellent earning potential with a well-structured commission plan
- Tool allowance
- Fully equipped workshop with the latest diagnostic equipment
- Ongoing manufacturer factory training
- Join a team who pride themselves on having a supportive and friendly culture which allows all employees to thrive in their role

Application Process

Application should include:

- A resume giving details of recent roles and qualifications
- A cover letter summarising your interest in this role and demonstrating your ability to meet the criteria above

Selection Process

Shortlisted candidates will be contacted by the hiring manager to arrange a time to meet with the selection panel for an initial interview.

Reference Checks

A minimum of two reference checks will be conducted – please ensure you have provided the hiring manager with two professional references.

Pre-employment compliance check

International candidates will provide the panel with relevant VISA documentation supporting their right to live and work in Australia.

Preferred candidates may be required to undertake a pre-employment screening.
